

NEWSLETTER

June 2011

Welcome from the President,

Welcome all members to the 2011 surf season. I hope everyone had a good break during the off season as its going to be an exciting and busy year with the calender full of carnivals and surf lifesaving award training. Ellis Beach Surf Club has something for everyone in which to participate.

I have the pleasure to be working with an incredibly committed and energetic committee. We are prepared to volunteer many hours to ensure Ellis Beach Surf Club delivers a high standard of Lifesaving and well trained surf sports competitors. We will endeavour to cater for all members who are serious competitors or wish to maintain a level of fitness and improve their life saving skills.

We will strive to provide an environment where members can enjoy themselves and have fun while developing their skills. This will be acheived by participating in Sunday training and obtaining individual life saving awards.

This is our commitment to the club and its members. However, a club does not function on the committee alone. We need people to assist in a number of areas during Sunday club days and at Carnivals. There are a number of roles parents and members can help including the kitchen, water safety, carnival official, setting up the beach, loading gear trailers for carnivals, cleaning and storing club gear. This will ensure Ellis Beach Surf Club remains a vibrant and progressive surf club.

Should anyone wish to enquire as to where and how they can assist please seek out one of the committee members - they'll be more than willing to discuss any number of options.

I hope everyone enjoys the 2011 season and remember,

Life's a Beach

David Young

Min's Coaching Tips

When running bring your hands up to eye level.

When swimming out to the cans, lift head high to spot the cans.

When paddling a board, the lower the head/chest to the board the more efficient the stroke

R & R (Rescue & Resuscitation)

Ellis Beach SLSC has a long and proud reputation for success on the R & R stage.

I'm inviting any interested members to come and have a look at the sport - contact me on sbj.scott@bigpond.com or find me on the beach. cheers Meagen Scott

Junior State Surf Championships 2010

If anyone would like a copy of the photos taken during the championships just bring a disc or memory disc to training, find me and I'll happily copy you a set. cheers Paul Fry

Amateurs Collection 2011

The club is looking for members to help collect at the Cairns Amateurs on the 2nd & 3rd September 2011 from 0300pm onwards each day. This is the clubs major fundraiser and is held every year. If you could help out please email the club with your preferred date. thank you, Peta Grant

The 2011 Committee invites interested members to consider the following positions:

Junior Activities Chairperson (JAC) and Secretary.

Two or three keen people to work with the Age Managers to ensure that

- 1/. Sunday training runs smoothly
- 2/. Age Managers are on top of awards
- 3/. Keep on top of communications and share them with the Junior members.

Junior Team Manager.

1/. Work with our Age Managers to ensure competitors are ready and nominated for their events at the carnivals.

2/. Attend Team Manager meetings at the start of each carnival and bring feedback to the Age Managers.

3/. Be on the beach for carnivals and represent the club if there are any concerns on the beach at carnivals.

As you will note from the season so far, the club survives solely on the generosity of parents and friends offering their help and assistance. The successful applicants will have the full support of the committee.

If you have any questions about any of these positions please approach one of the committee members.

U14 Sleepover & SRC Training

Congratulations to our 16 new patrolling members! The U14's combined their sleepover this year with their Surf Rescue Certificate (SRC) training and evaluation - they all passed with flying colours.

A big thank you to our wonderful supporting parents and friends for the fantastic sushi, sticky date pudding, bacon & egg rolls, the transfers over to Palm Cove and the laughter.

Jeremy & Melinda

Congratulations to Renee Ruthenberg on her appointment as NQ Branch Youth Development Officer.

Renee along with Kate Macrae (NQ Branch Life Saving Development Officer) & Melinda Jackson (NQ Branch JAC) have organised a meeting for Junior Activity Co-ordinators (JAC's) and Youth Development Officers (YDO's) from each of the clubs in our Branch.

Date: Tuesday the 19th of July

Location: Branch Office

Time: 6-7pm

As our Club is yet to appoint a JAC, we are seeking expressions of interest from our members for someone to attend the meeting to represent Ellis Beach Juniors. Please contact Renee if you would like more details.
